Message from the teachers...

**WE ARE GROWING TO BE:**

**Learned:** By knowing how God wants us to live our lives whether we are young or old, we should never stop learning about what God wants of us. We learn many new things each day, by reading the Bible, listening to our teachers, and listening to our hearts, we learn more of what God wants.

**Wise:** By knowing how God wants us to live our lives and putting it into practice, God is always with us and helping that we will live our lives in the right way, following the teachings of Jesus.

**LEARNED:** Learned, knowing how God wants us to live our lives.

**WISE:** Wise, knowing how God wants us to live our lives and putting it into practice.

### CLASS 'WE ARE CALLED TO BE SAINTS'

We pray for and remember all the Holy Souls during the month of November.

In RE, we are learning all about Parables and the messages that Jesus shared with that they give to us. These messages are still impactful for our lives today. In Y5 and Y6 we have been trying to understand Jesus' important messages of each parable and we are trying to make important links with how we should make choices in our lives.

**Gospel value and virtue: Learned and Wise.** We are learning how God wants us to live our lives by never stop learning about what God wants of us. We learn many new things each day: By reading the Bible, by listening to our families, our teachers and by listening

to our hearts, we can learn more of what God wants.

In UKS2 life, it has been wonderful to explore our roles of being Caritas Ambassadors, and Minivinnies, Prayer and Liturgy Leads. Already our Y5 lunchtime groups are now supporting FS1 in their daily play and this is such wonderful preparation for when they all become Buddies next year! Both Minivinnies Groups meet on a Wednesday during their 'working lunch.' Here, they are learning about the wonderful work of the Saint Vincent De Paul- Minivinnies society. They will also lead our next Samaritan's Purse Shoebox appeal for 2025 and much more! Well done to each and every one of you!

We are continuing to learn about The Invention of Hugo Cabret

By Brian Selznick

Hugo is having a terrible time and now we need to persuade the shopkeeper to return his notebook!

We have our new Maths homework books too!

Discuss the parables. What is the main message? What do they reveal about the Kingdom of God?

Task: Split children into groups and ask each group to pick one of the parables.

In groups, create a news report drama based on one of the parables.

Discuss and allocate roles within each group.

Model example (see PowerPoint for some ideas.)

Encourage children to be creative and imaginative.

Share role plays

people welcoming it into their lives.

Reflect on the key questions about each parable. (Questions could be allocated to a group/ pair to discuss and feedback to the class.)

Key questions:

Who is the Sower? Why do some seeds grow?

What prevents other seeds from growing?

What does the parable teach about welcoming God's Kingdom?

Who do you think the King is in the Wedding Banquet? What stopped the guests from coming? Why were the other people keen to come? What does this parable teach us about welcoming God's Kingdom?

What is the difference between the wise and

### Lesson 9-10

**LO: To express opinions.**

Read to p354.

Discuss the two films mentioned in the book: A train Arrives in the station directed by the Lumière Brothers and A Trip to the Moon directed by George Méliès. Have pupils heard of any other famous silent films, actors or producers? e.g. Charlie Chaplin, Harold Lloyd, Buster Keaton... Explain that we are going to writing in role as a film critique and review a silent movie. What does the word 'review' mean? Have children ever written a book review? What features do they include? How might this be similar to a film review?

Show pupils a film review of 'Hugo' directed by Martin Scorsese. Spot the Features:  
Children use highlighters to identify the following features in the exemplar film review:

- A strong introduction that entices the reader
- Key facts: Title of the film, year it was made, who directed it and key actors.
- Genre of the film and target audience
- Summary of the plot without giving away the ending
- Strengths of the film with specific details
- Weaknesses of the film with specific details
- Overall opinion of the film with a star rating

Pupils watch The Lion Cage.

Teacher challenges pupils to describe the silent film they watched in just one word e.g. humorous magical, uplifting, captivating. Pupils, like a ping-pong match, pass the talk between each other until all responses have been exhausted.

Pupils can use the words generated to write their introduction to 'hook the reader' into their review.

Shared Writing:

Teacher to model writing the summary section of the film

### Lesson 11

**LO: To distinguish between fact and opinion.**

What is the difference between a fact and an opinion? Explain that a fact can be verified with evidence whereas an opinion is based on a belief/viewpoint. Model reading pages 354-355. Choose 2 different colours: one to highlight facts and the other opinions. Model retrieving the information from the text and lacing in the in the table below.

Facts	Opinion
George Méliès began his career as a magician	He changed the face of movies forever
He owned a theatre of magic in Paris	He realised that film had the power to capture dreams

Children to read p404- 407 where Papa George tells Isabelle and Hugo about his early childhood and career. They are to highlight facts and opinions in the text and add it to their fact/opinion table.

Read to p493 before next lesson.

### Lesson 12

**LO: To plan a biography.**

The French Film Academy invites you to join us for an evening celebrating the life and work of cinema Legend George Méliès The pupils have been tasked with making a programme of this event. This will be given to all patrons attending and provide a brief biography of George Méliès' life. Show children example of a biography and what features are evident. (Share point folder).

Show children the following subheadings. Are there any facts we already know about George Méliès which can be placed under them? Encourage children to use the facts collated in the previous lesson and an online encyclopedia to gather additional information about Méliès.

# R E

placing emphasis on the use of passive voice used throughout  
 Possible sentence starters could include:  
 The film was set in...  
 The film was directed by...  
 The film was nominated by...  
 The plot focuses on...  
 The film tells the story of...  
 Pupils write their film review using the structure highlighted. Provide passive voice sentence starters to include in the summary of the film. Read p354-407 by the next lesson.

**LO:**

Early life

Major achievements

What alternative noun phrases could we use to replace Méliès name?  
 This will help aid cohesion.  
 George Méliès, Monsieur George Méliès, The famous director, This French illusionist, The toymaker

**SPAG**

**Lesson 1: Hyphens to Avoid Ambiguity**

Objective: Understand and use hyphens to clarify meaning.  
Activities: Spot ambiguous sentences, rewrite with hyphens, create own examples.

**Lesson 2: Colons and Semi-Colons**

Objective: Use colons to introduce lists and semi-colons to separate clauses.  
Activities: Sentence sorting, punctuation correction, SATs-style practice.

**Science**

*LO: Recognise that light appears to travel in straight lines*  
*Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.*

Vocabulary  
*Light, source, dark, shadow, block, absorb, direction, transparent, opaque, translucent, straight, colour*

**Geography**

**Lesson 3: Why are biomes under threat?**

- Why is there a climate emergency?
- Why are some animals and plants vulnerable to climate change?
- How might biomes change?

#### Lesson 1 Music Programming

- Clip blocks together and predict what will happen. Make connections with previous programming interfaces they've used, e.g. Scratch.
- Create their own images to make the animation and recognise the difference between 'on start' and 'forever'.
- Recognise blocks they've used previously, identifying inputs and outputs used and make predictions about how variables work.
- Choose appropriate blocks to complete the program and attempt the challenges independently.

Module 1: Created and loved by God  
Unit 2: Me, My body, My health.

#### Session 1: Gifts and Talents

In the first episode of the 'Paradise Street' series, we are introduced to the four main characters and see their similarities and

differences. There is friction over competition and rivalry, with the characters learning that difference - whether physical or skills based - should be celebrated as enriching to a community. One of the characters, Finn, discusses his feelings of insecurity with his Mum and she teaches him to be more deeply aware of his value and that his self-confidence should arise from being loved by God.

**LO: Similarities and differences between people arise as they grow and mature**

By living and working together ('teamwork') we create community.

There are many different types of family set up

Self-confidence arises from being loved by God (not status, etc.)

**Success Criteria-**

Engage with the film and discussion questions

Successfully complete the appropriate section in their 'Paradise Street' Workbook

**Progress Markers-** To understand that we are all unique, with different family set-ups, gifts and talents.

**LO:**  
 To develop observational drawing skills and explore expressive portraiture inspired by poetry.

**Introduction (10 mins):**  
 Show examples of poet portraits and discuss how artists convey personality through line, tone, and expression. Briefly introduce the concept of linking visual art with written words.

**Main Activity (35 mins):**

1. Pupils choose a poet or a poem they connect with.

- 2. Demonstrate key techniques: proportion, shading for depth, and expressive line work.
- 3. Pupils sketch the poet's portrait, incorporating visual elements that reflect the poem's mood (e.g., flowing lines for calm, angular shapes for tension).  
Encourage experimentation with pencil grades and mark-making.

**Plenary (10 mins):**

Gallery walk: pupils share their portraits and explain how their choices reflect the poet's character or themes. Discuss how art can deepen understanding of literature.

**Resources:**

- Pencils (varied grades), erasers, paper
  - Examples of poet portraits
  - Selected poems for inspiration
