

## OLC WEEKLY LEARNING PLAN

### Message from teachers

We wanted to take a moment to recognise how hard all the children in KS1 have been working. It is lovely to see their enthusiasm for learning and we cannot wait to continue this special journey through Key Stage 1 with you!

Just a quick reminder that reading books need to be brought into school every day. Books will be changed once your child has read their current book a few times and can recall the words in the story without needing to sound them out.

**Homework will be set every Friday** and should be returned to school for marking by **Wednesday at the latest**. Each week, we will write the pages to be completed on the contents page, and the activities will always consolidate learning that the children have already covered in school.

Thank you for your continued support!

**Mrs Mitchell, Miss Hannah and Mr McEvilly**

*This Weekly Learning Plan shares the learning that will be taking place this week.*

Teachers:	Miss Hannah and Mr McEvilly	Year group:	Year 2	Date:	15.09.25
-----------	-----------------------------	-------------	--------	-------	----------

	Monday	Tuesday	Wednesday	Thursday	Friday
<p><b>R.E.</b></p> 	<p><b>LO:</b> Create a class litany of thanks. <b>Big Question:</b> Why is it important to thank God?</p>	<p><b>Gospel of the Week</b></p> <p>John 3:13-17</p> <p><b>Jesus told Nicodemus:</b></p> <p>Only the one who came from heaven — the <i>Son of Man</i> (Jesus) — truly knows heaven. Just like when Moses lifted up a bronze snake in the desert to help the people, Jesus must also be lifted up (on the cross), so that everyone who believes in Him can have eternal life.</p>	<p><b>Gospel Values</b></p> <p><b>We are growing to be eloquent and truthful.</b></p> <p><b>Eloquent</b> means using words well — speaking or writing clearly so others can understand what we think and feel.</p> <p>We can also share our thoughts in other ways, like through <b>music, drama, painting, or dancing</b>. When we use our gifts in a fun, honest, and meaningful way, we are being creative just like God made us to be!</p> <p><b>Truthful</b> means telling the truth and being honest. Jesus said, "<i>I am the way, the truth, and the life.</i>" So when we are truthful, we are living like Jesus and doing what makes God happy.</p>	<p><b>Harvest Festival</b></p> <p>This week, we begin accepting donations for the Harvest Festival.</p> <p>This is a time to make charitable donations to help those in need.</p> <p>It encourages children to show kindness and help others.</p> 	<p><b>LO:</b> To learn about the importance of the Harvest festival. <b>Big Question:</b> Why should we give back to others?</p> <p>Recap prior learning: What were we thankful for last lesson? Should we always be thankful to God?</p> <p>What is Harvest time and the Harvest Festival? Harvest time is the time where we give thanks to God for creating all the beautiful crops that we can use for lots of things including food and drink. We thank God for being the creator of the world. The Harvest Festival is the time of year where we give back to those less fortunate and share our blessings – we give to those in need. We can do this by bringing in donations to help those who need extra help. What can we do to help out for the Harvest Festival?</p> <p>Activity: Write a sentence about how we can help others e.g. by donating/sharing food with those in need. Draw a picture</p>
	<p>Recap prior learning – what is the story of creation? Tell your partner what God created during this time – lots of focus on oracy – children need to talk to one another. Quickly recap the order of the creation story from day 1 to 7. Explain that there is a lot to be thankful for, tell your partner what you would like to thank God for. Provide an example e.g.</p>				

# OLC WEEKLY LEARNING PLAN

	<p>Thank you God for creating the sunshine.</p> <p>Extend the 2s by Thank you God for the sunshine so I can play outside.</p> <p>Listen to the story – Thank you God - <a href="https://www.youtube.com/watch?v=rDoD2iEOJWM">https://www.youtube.com/watch?v=rDoD2iEOJWM</a></p> <p>Create a paper chain of children's thanks, join together to form a class litany of thanks.</p>	<p><b>God loves the world so much</b> that He gave His only Son, Jesus. If we believe in Jesus, we won't be lost, but will have life that lasts forever. God didn't send Jesus to punish the world, but to save it.</p>			<p>for the Harvest Festival – images will be around to help.</p>
	Textbook A				
<p><b>Maths</b></p> 	<p><b>Partition numbers to 100</b></p>	<p><b>Partition numbers flexibly within 100</b></p>	<p><b>Write numbers to 100 in expanded form</b></p>	<p><b>10s on a number line to 100</b></p>	<p><b>Consolidation</b></p>

## OLC WEEKLY LEARNING PLAN

For the next 3 weeks we will be focusing on the story **'Beegu – Alexis Deacon'**

We are structuring our lessons by splitting it into 4 shorter activities, beginning with developing **fine-motor skills** and pencil grip through various activities such as using playdoh, scissor control, finger gym exercises etc. We will then be practising forming letters correctly and developing our **handwriting** before moving onto an **oracy** based exploration of our class story. Finally, combining all of this together in a **writing** activity.

Science

Invite the chn to sit down and explain the rules of the Simon Says game. Play with the chn, pointing out body parts such as elbows, knees, toes, ears, eyes, nose. Then ask them to talk to each other about the question: *do people with bigger feet need larger gloves?* Encourage all their ideas, saying that grown-up scientists often have times when they discuss lots of things before deciding what to do. Say the question again to the class and then say: *We are thinking like scientists so we have thought about our question and talked to each other. Now we need to do some predicting. If you 'predict' something, it means you say something that you think will happen. Scientists predict things after they have thought hard and talked to each other about what is likely to happen. So, can you predict what the answer is going to be?* Ask the chn to go to one side of the room if they think the answer to the question is going to be 'yes' and to the opposite if they think it will be 'no'. Ask chn from each side of the room to explain why they have chosen that side. Ask these children to work in pairs to measure their hands and feet, in centimetres, for the more able, or give them unifix cubes to measure with. Complete worksheet and take photos throughout.

Computing

Ask the children to sketch and label a picture of a computer. Gather keywords from them, such as mouse, keyboard, and screen. Show the *Computer or Not a Computer?* presentation. In groups, have the children sort objects into two categories: computer or not. Display slide 1 (*Sketchpad*) and discuss the questions together. Show slide 2 and explain why we log into school computer accounts. Demonstrate how to log in. Move to slide 3 and introduce the online art tool *Sketchpad*. On slide 4, show how to select different brushes and let children try them out—staying within the toolbar on the top left. Slides 5 and 6 introduce the shape tool. Model using the star shape and changing its colour using the fill box. Let children explore and try erasing anything they dislike. Slide 7 introduces the eraser tool. Demonstrate its use. On slide 8, show how to use clipart, text, and fill tools. Let the children explore and create freely. Finally, demonstrate logging off and explain its importance.

## OLC WEEKLY LEARNING PLAN

<p><b>PSHE</b></p> 	<p><b>Life to the Full – Unit 1: Religious Understanding</b></p> <p>Unit 1 – Religious Understanding introduces children to the story from the Gospel of Matthew, when Jesus welcomed all of the little children to come to Him. The five-story sessions encourage children to understand that they are created by God out of love and for love. Children will revisit this Gospel story at the end of this Module.</p> <p><b>Session 1: Let the Children Come – Day 1</b></p> <p><a href="https://www.tentenresources.co.uk/pdfcreation/life-to-the-full-primary-pathway-3/">https://www.tentenresources.co.uk/pdfcreation/life-to-the-full-primary-pathway-3/</a></p>	
<p><b>Music</b></p> 		
<p><b>Art/DT</b></p> 	<p><b>DT – Textiles: Puppets</b> <b>Lesson 1: Joining Fabrics</b></p> <p>Listen to the story of Little Red Riding Hood and discuss who the main characters are. List characteristics of the characters.</p> <p>Explain that children are going to be making a hand puppet of one of the characters. Show different photos of different puppets and how they can be fitted together with glue, staples or pins.</p> <p>Activity: Children will have a go at using staples, PVA glue, normal glue and pins on paper to practise the technique before creating the puppet in a couple of lessons time.</p>	

# OLC WEEKLY LEARNING PLAN

P.E.

## Learning Goals

### Learning Behaviour

### Keep Trying

#### Emerging

- I can follow instructions, practise safely and work on simple tasks by myself.

#### Expected

- I try several times if at first I don't succeed and ask for help when appropriate.

#### Exceeding

- I know where I am with my learning.
- I have begun to challenge myself.

### Fundamental Movement Skills

Coordination  
Footwork

Static Balance  
One Leg Balance

In this unit, the children will develop and apply their footwork and one leg balance through focused skill development sessions, cooperative and competitive games and challenges.

#### Emerging

I can complete **some** green challenges

#### Expected

I can complete **all** green challenges

#### Exceeding

I can complete **some** red challenges

P.E.  
Fitness

## Animal Movement Adventure

**Focus:** Full-body movement, imagination, and coordination.

**Warm Up: "Move like..." game:** Call out animals and children move accordingly.  
Examples:

- Frog (squat jump)
- Giraffe (tiptoe stretch)
- Elephant (stomp with arms as trunk)
- Snake (slither on the floor)

**Main Activity: Animal Adventure Story:** Tell a story where children act out different parts.  
Example:

"We're going through the jungle – hop over logs (jump), swing on vines (arm swings), crawl through caves (bear crawl), run from a lion (run on spot)."

## OLC WEEKLY LEARNING PLAN

**Cool Down:** Slow animal movements (e.g., sleepy lion stretches, slow turtle walking).

Breathing: “Smell the flower, blow the candle.”

### Communicating with school

Please direct all queries to the school office email on: [office@olc.solihull.sch.uk](mailto:office@olc.solihull.sch.uk)
