### Message from the teachers:

Dear children,

Mrs Kendrew, Miss Cottrell & Miss Sidwell/ Mr Brennan and Miss Sidwell

This Weekly Learning Plan shares the learning that will be taking place this week.

## Wider Curriculum

**Lesson 4: What is the weather forecast?**  
**Key questions**

- What is a weather forecast?
- What do the symbols on a weather forecast mean?
- Why is it important to have a weather forecast?
- Introduce the topic. Discuss what the weather is like today. Is it hot? Is it rainy? Is it humid? Is it cloudy? Is it windy?
- Discuss how weather changes with seasons.
- Pupils should complete questions 1 and 2 independent.

and be able to describe it in simple terms.

**Starter – What Is a Fossil?**

Begin by asking children: **“What is a fossil?”** Gather initial ideas. Explain that today's mission is to become **fossil experts** for Mr Crag's TV programme.

**How Fossils Are Formed (10 minutes)**
**Explain the key vocabulary:**

- **Sediment**
- **Minerals**
- **Mould**
- **Cast**

**Key process (simple explanation):**

1. A creature dies.
2. It becomes buried in sediments.
3. Over time, the soft parts decay.
4. Minerals fill the space, creating a **cast fossil**.

Use visuals or gestures to reinforce each stage.

**Main Activity – Make Your Own Fossil**
**Steps:**

1. **Give each child clay** and let them roll it flat.

**LO: To learn how to create a repeating pattern.**
[Lower KS2 DT Lesson Plan 1 Repeating Patterns](#)

Explain to the children that when part of a design, such as shapes or a motif, is repeated within a space, it is called a repeated pattern.

*Jungle pattern:* In pairs, ask the children to study the image and see if they can identify where the pattern repeats.

Introduce the children to pattern designer Megan Carter by looking at the link: [Megan Carter Patterns](#).

Show the children the *Pupil video: Repeating patterns*.

Recreate their pattern from [Lesson 3: Creating patterns](#) by cutting or tearing pieces of coloured paper to create the shapes and lines and placing them on the

<https://www.kapowprimary.com/subjects/computing/key-stage-2/year-3/digital-literacy-2/digital-literacy/lesson-4-transitions-and-text/>

Inform the children that they will be adding text and transitions to their trailers. Explain that text helps share important messages and transitions make the video flow smoothly from one scene to the next.

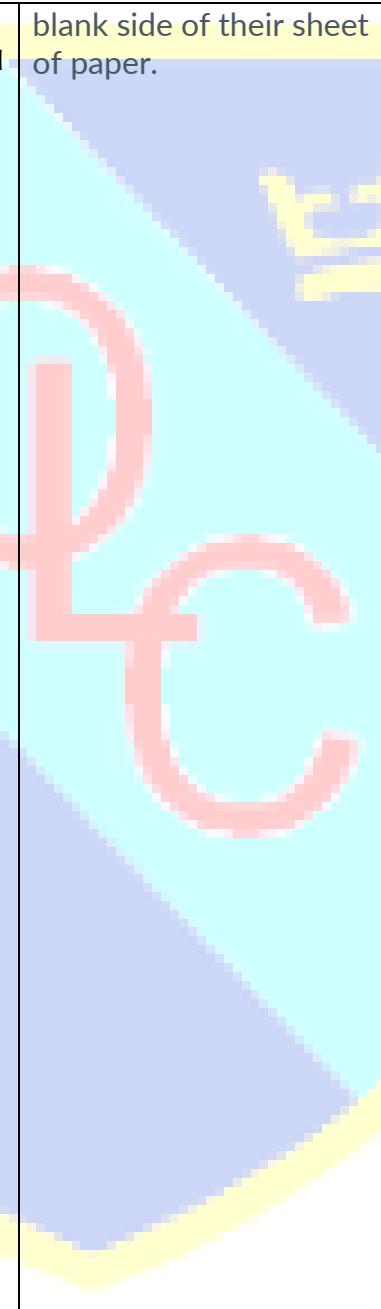

Using WeVideo, demonstrate how to add text to a video as well as transitions between scenes (see *Teacher video: Transitions and text*) breaking down the process into small steps.

Play the videos *WeVideo-Transitions* and *WeVideo-Motion* and static text if needed.

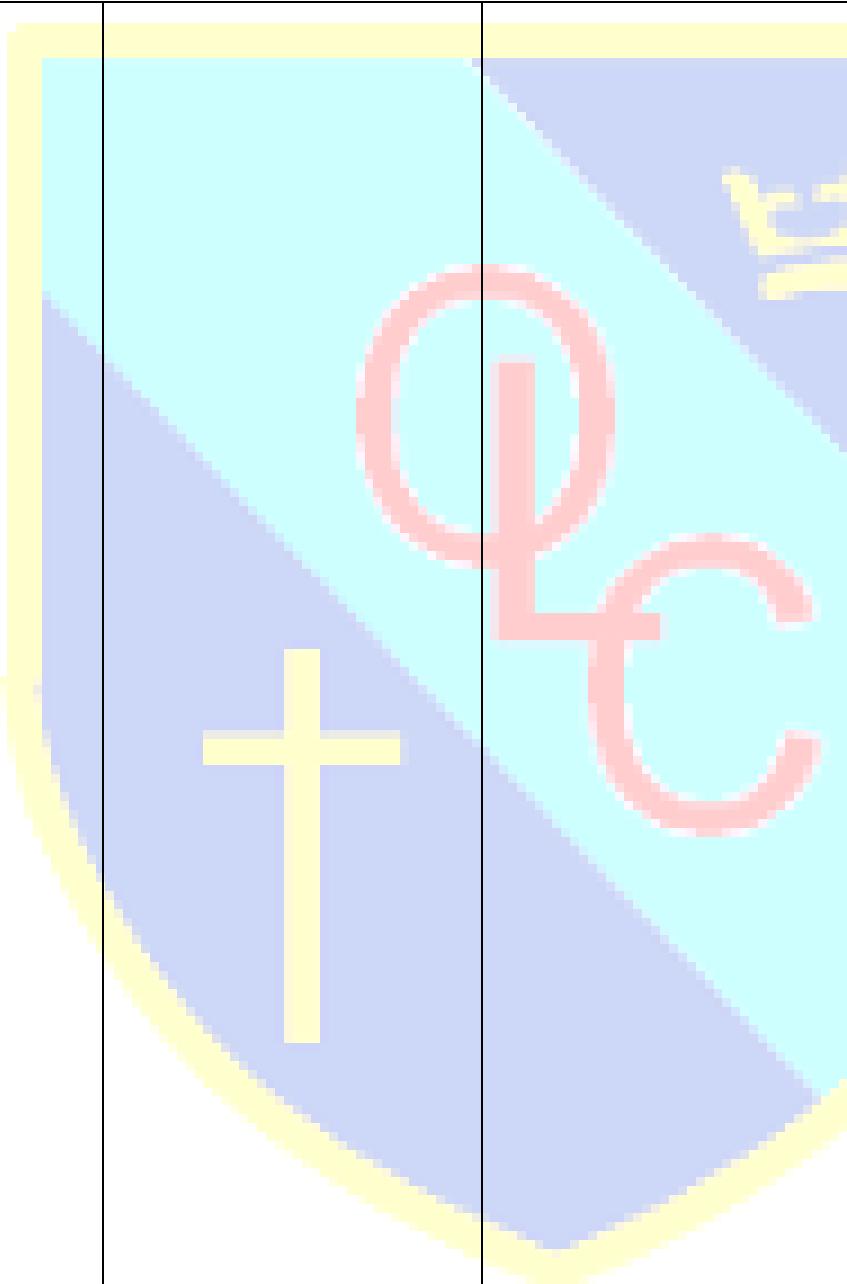

[Lesson 4: The loopy rainforest](#)

List to examples of repeated melodies. Create repeating pattern tunes on the glockenspiels to represent the rainforest.
